Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

Claims 1 and 7-9 are rejected under 35 U.S.C. 102(b) as being anticipated by Babbs et al WO 98/25544.

Babbs et al discloses a stent graft comprising a stent (10) covered by a SIS sleeve (12). The stent has a proximal end and a distal end. The sleeve has a length about twice the length of the stent (see Fig. 2 and page 12, the last paragraph). The sleeve has a first portion within the inside surface of the stent and a second portion that is folded back over the proximal and distal end of the stent. The second portion extends from the proximal end to the distal end, along an outside surface of the stent (see Fig. 2).

Allowable Subject Matter

Claims 3-6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
